IOPMP Task Group Meeting
April 27, 2023

Video link

Topics

- Any update related to IOPMP:
  - The Runtime Integrity SIG: security f2f in NA
  - The Tech-Chair meeting: ratification plan presentation on May 10.
- Any feedback: Lock MDCFG, static IOPMP entries, and error reactions?
  - Error reporting on multiple harts: under internal discussion
- IOPMP ratification plan review, the items to confirm
  - Architecture Review: does IOPMP spec need AR? Neither CSRs nor opcode!
  - PoC: SystemC simulator (Q4), reference code (Q4), SAIL (need help)
  - ACT: need help
  - Draft of the plan: https://lists.riscv.org/g/tech-iopmp/message/88
